

**IEC Connector EN60320 C14  
with 5 x 20mm Fuseholder**

**0717 Series**

**Power Rating :** 10A 250V AC  
**Insulation Resistance :** over 100MΩ 500V DC  
**Withstanding Voltage :** 2,000V AC One Minute  
**Operating Rating Temperature :** -25°C to +85°C  
**Main Unit Material :** Thermoplastic UL Flammability  
 94V-0 & Copper Alloy

**Module**

Unit:mm
